New York 5, New York

Dear Russ:

Many thanks for your kind note of sympathy and all that you had to say about Foster and the Dulles brothers.

Also, I appreciated your telegram and am sorry to hear the reason which kept you away from our party for the French Resistance. Fortunately the weather held out and we had a very pleasant evening. It's quite a time since I have given a dinner for a hundred and twenty five people.

Sincerely,

Allen W. Dulles
Director
